

Dear Ratna,

You have been nominated for being someone who is not only willing to take an extra step but ten extra steps. During Project North, you played a key role in the transition of activities to Genpact in the Netherlands and made significant improvements to the Fixed Asset recordings.

You have been nominated by Serge Riep and I am very pleased to be able to add my own special thanks to you.

Everyone in the Astellas EMEA Team has a role to play in ensuring that we can realise our ambition of delivering and creating value for patients. You have demonstrated that you are an exceptional member of our team and deserve to be recognised for this.

**“ THANK YOU FOR YOUR CONTRIBUTION TO
MAKING ASTELLAS A GREAT PLACE TO WORK ”**

**Wear your President's
Award badge with pride**

As part of your recognition, I will be sending you a special President's Award badge, which I hope you will wear with pride.

Thank you again for your hard work and commitment to Astellas and for being an outstanding team member.
