

Home page

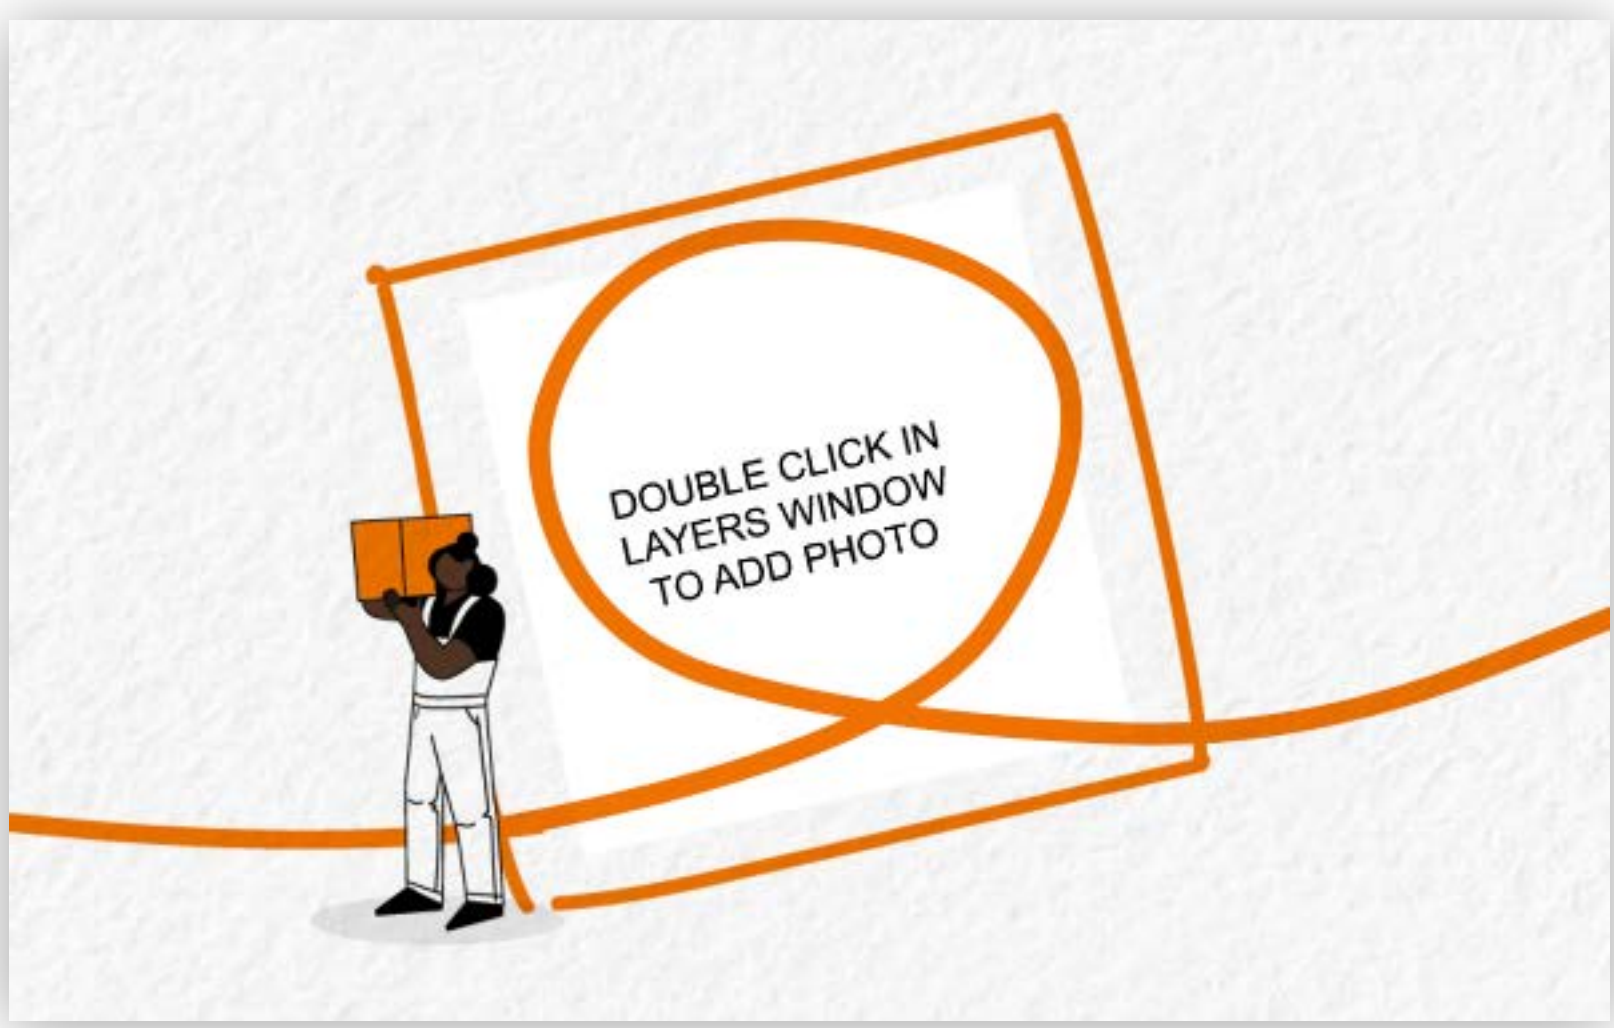

Unlock moments news feed

As you add new 'Unlock moments' they will automatially appear here

To add an 'unlock moment' to the site. Choose 'News post' from the + New menu. And then choose the 'unlock moments template' from the 'Saved on this site' tab of the news templates'

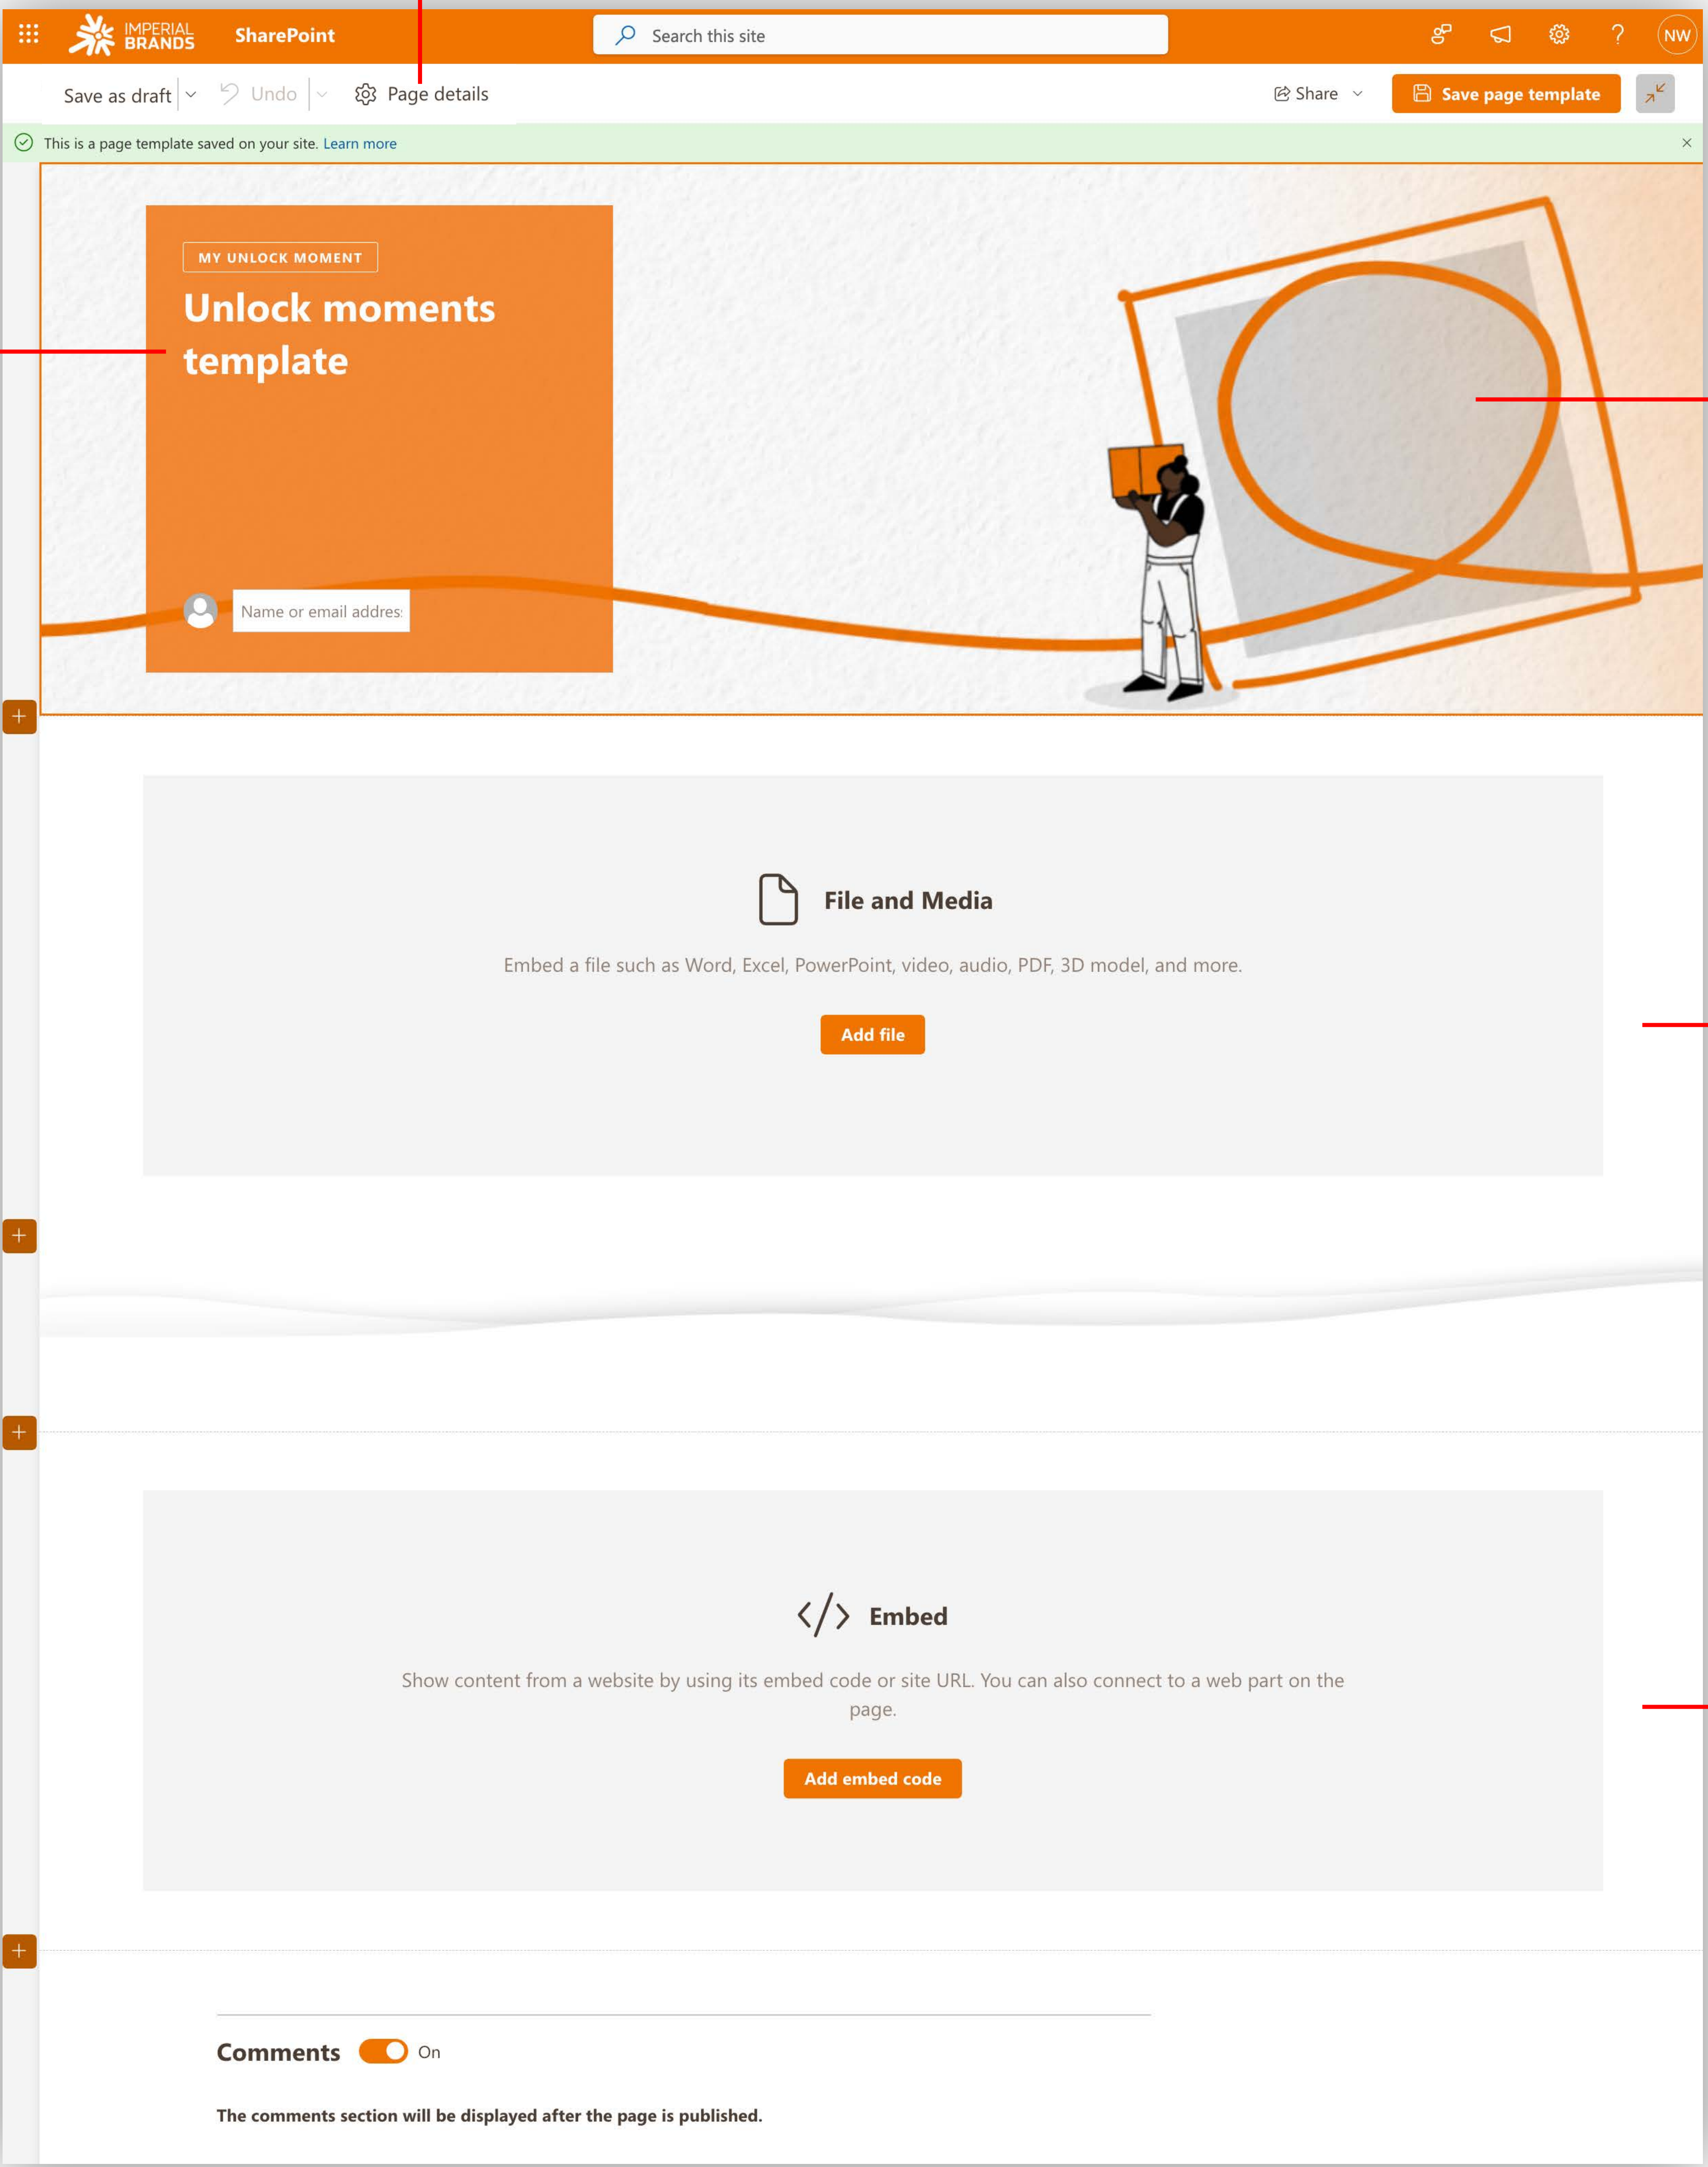

This is a template for the thumbnail image that appears on the homepage in the news feed. This will be supplied as a Photoshop file where *Alive with ideas* can add the photo of the featured person

News template for 'Unlock moments'

A thumbnail image will need to be added in the page details popup. We have created a thumbnail template where *Alive with ideas* can add the photo of the featured person, this can then replace the blank thumbnail. **The Thumbnail appears on the homepage in the news feed.**

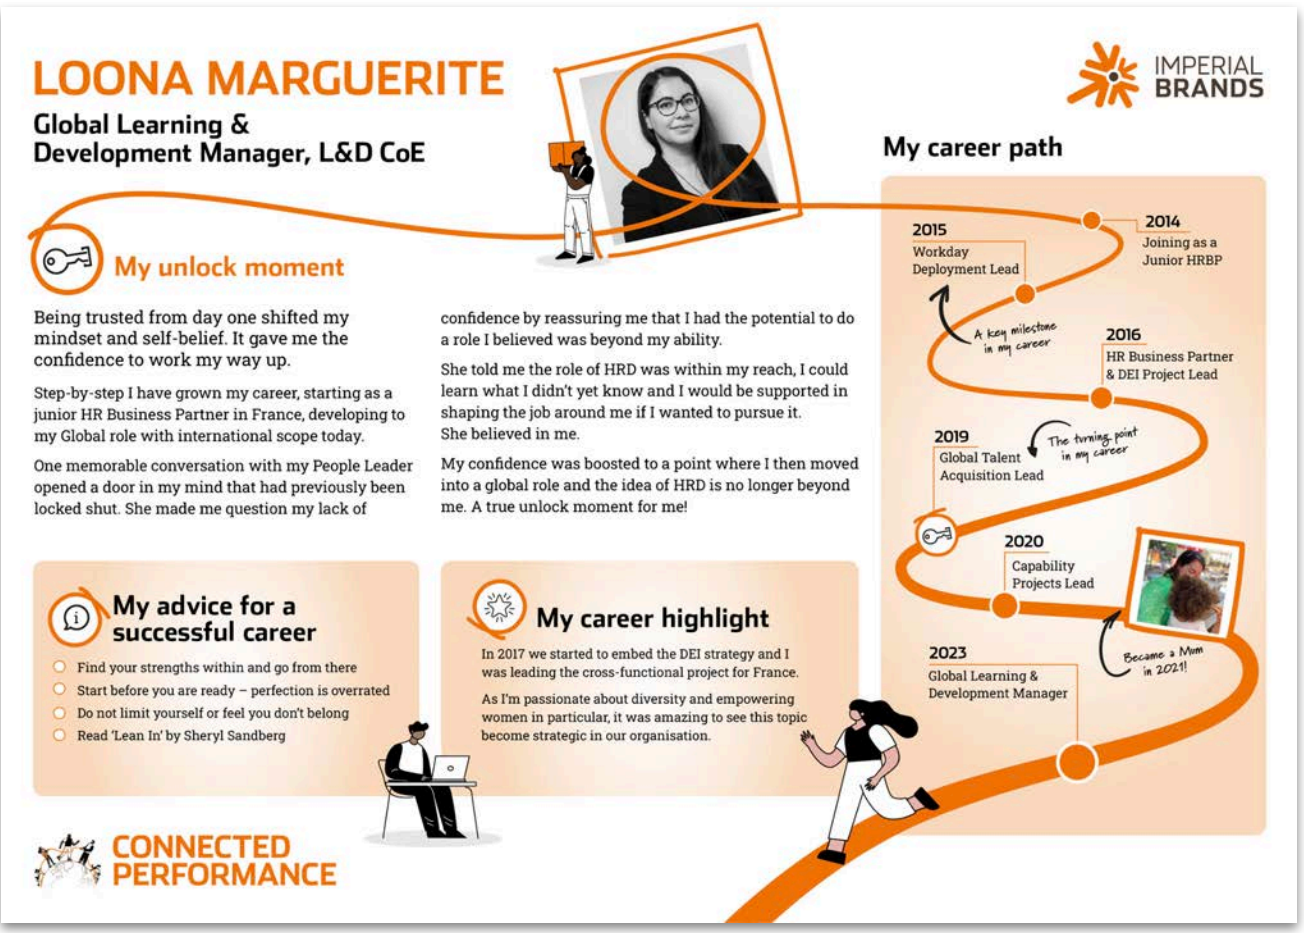

Add your title

We have created a banner template where *Alive with ideas* can add the photo of the featured person, this can then replace this blank version

PDF embed

This is where you embed the 'unlock moments' PDF

Video embed

This is where you embed the 'unlock moments' video

This is a banner template which we will supply as a Photoshop file, where *Alive with ideas* can add the photo of the featured person, this can then replace the blank version of the banner in the template
